

N-SEA GOLDEN RULES

KEEPING OUR PEOPLE AND WORKSITES SAFE

PERSONAL RESPONSIBILITY

We ensure we take responsibility for our actions and the health and safety of others.

THIRD PARTIES

We will manage the risks associated with the use of third parties.

SAFE SYSTEMS OF WORK

We will always comply with our safe systems of work.

RISK ASSESSMENT

We manage the risk associated with all activities and organisational changes.

LIFTING OPERATIONS

We ensure all lifts are planned and coordinated.

VEHICLE OPERATIONS

We will operate vehicles safely and comply with local regulations.

WORKING AT HEIGHT

We will protect ourselves from falls and others from dropped objects.

THE ENVIRONMENT

We will prevent leaks and protect the environment.

Please refer to your N-Sea Golden Rules handbook for more information. If you have any queries please contact your SHEQ Representative.
